- NCOA: “BenefitsCheckUp”
- Useful Resources

Using the Internet for Health Resources

- Quickly get basic information
- Check symptoms
- Know when it's time to see a doctor
- Ask your doctor the right questions
- Learn about side effects from prescription medications
- Understand more about a health issue

Evaluating Information

- Who wrote the information?
- Is this person or organization knowledgeable & reputable?
- Are they trying to sell a product?
- Is it a .com, .org, or .gov?
- Is the information up-to-date?

Medline Plus

- Administered by the U.S. National Library of Medicine and the NIH
- Offers helpful & easy-to-use tools
- Explore tabs
 - Health Topics
 - Drugs & Supplements
 - Videos & Tools

Drugs & Supplements

- What happens if you search “Xanax”?
- Review important warnings
- Scroll down to see side effects

Drugs: X

Xadago® see [Safinamide](#)

Xalatan® see [Latanoprost Ophthalmic](#)

Xalkori® see [Crizotinib](#)

Xanax® see [Alprazolam](#)

Xanax® XR see [Alprazolam](#)

Alprazolam

pronounced as (al pray' zoe lam)

Why is this medication prescribed?

How should this medicine be used?

Other uses for this medicine

What special precautions should I follow?

What special dietary instructions should I follow?

What should I do if I forget a dose?

What side effects can this medication cause?

What should I know about storage and disposal of this medication?

In case of emergency/overdose

What other information should I know?

Brand names

IMPORTANT WARNING:

Alprazolam may increase the risk of serious or life-threatening breathing problems, sedation, or coma if used along with certain medications. Tell your doctor if you are taking or plan to take certain opiate medications for cough such as codeine (in Triacin-C, in Tuzistra XR) or hydrocodone (in Anexsia, in Norco, in Zvfre) or for pain such as codeine (in Fiorinal), fentanyl (Actiq, Duraqesic, Subsys, others).

NCOA: “BenefitsCheckUp”

- National Council on Aging
- Lists benefits programs available in your area
- Enter basic personal information
- See if you qualify

The screenshot shows the homepage of the BenefitsCheckUp website. At the top left is the logo for BenefitsCheckUp, which includes a checkmark icon and the text "BenefitsCheckUp. National Council on Aging". To its right is the NCOA logo, "ncoa National Council on Aging". Below the logos is a red text alert: "Disaster Relief: If you live in an area that was affected by a hurricane, wildfire, or any other disaster, you may be able to get help. [Find h](#)". A navigation menu includes "Home", "Find My Benefits", "About Us", "Sponsors", and "Resources". The main content area has a dark blue background with white text: "There are over **2,500** benefit programs available nationwide. **Find out what benefits may be available in your area.**" Below this text is a white input field labeled "Enter Your Zip Code" and an orange "Get Started" button. To the right of the text is a circular photo of a smiling elderly man wearing a white hard hat. At the bottom of the page, a white banner contains the text: "Join the **7,486,556** people who have discovered **\$28.5 billion**".
