What is Spam?

- Unwanted or junk email sent by strangers
- Snail mail equivalent is circulars or ads
- Usually to sell something
- About one billion spam messages are sent everyday

● MedicarePlan.com Info	★ It's Almost AEP? Come Check us out! To Be Removed From C
● American Express	★ Good just got better: Earn 150K Hilton Honors Bonus Points
● Reader Supported News	★ Need to Pull a Rabbit From the Hat Today! 29 November 18 N
● Fidelity, Fidelity	★ WOW! Secure \$25OK COverage F0R \$12.82 Per MOnth 2 A

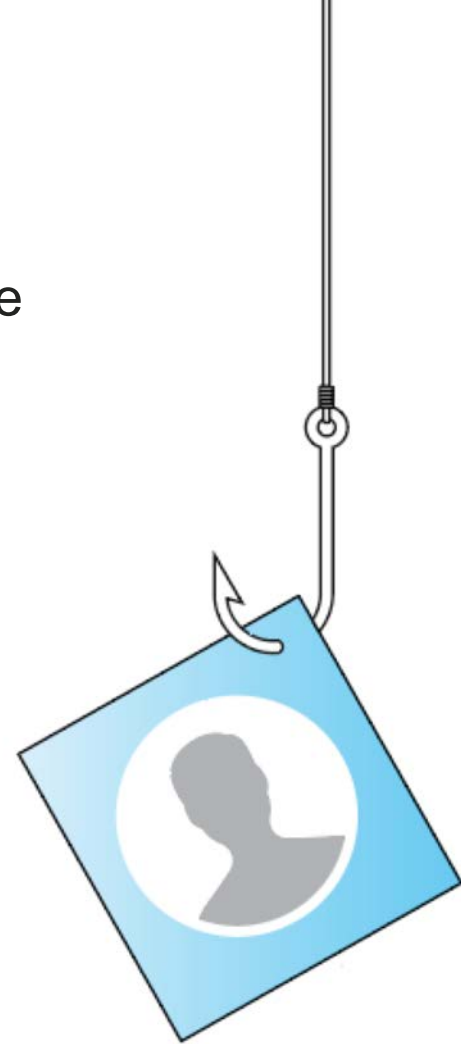

What Do I Do with Spam?

- Ignore
- Delete
- Don't respond
- Mark as Spam

What is Phishing?

- Attempts at identity theft by email or a website
- Communications pretending to be from a legitimate business or financial institution
- Will ask you to provide information by
 - Clicking a link
 - Downloading an attachment

Is it Phishing?

Look for these telltale signs:

- Weird links
- Requests for personal information
- Creates a sense of urgency
- Obvious typos and errors
- Generic salutation and signature

Sample Phishing Email

Online Banking Alert

Dear MyBank valued member

Due to concerns, for the safety and integrity of the onine banking community we have issued this warning message.

It has come to our attention that your account information needs to be updated due to inactive members, frauds and spoof reports. If you could please take 5-10 minutes out of your onine experieance and renew your records you will not run into any future problmes with the online service. However, failure to update your records will result in account suspension This notification expires on Aug 5, 2004.

Once you have updated your account records your internet banking service will not be interrupted and will continue as normal.

Please follow the link below and renew your account information:

<https://www.mybank.come/update/update.htm>

Sincerely,
MyBank customer department
